Re: James Harrell Eubank and
Henry Italo Ciotti

Attention: Dale E. Chronic, Assistant Scout Executive

Dear Joe:

Thank you for your letter of June 18, 1969 and the enclosed correspondence and confidential record sheets concerning Mr. James H. Eubank and Mr. Henry I. Ciotti. We have placed this information in our file and have taken steps to have their names deleted from our records.

This information will enable us to identify both Mr. Eubank and Mr. Ciotti. Should they ever again attempt to register in the Scouting program.

I am sure you realize that his leaves Troop 1034 without any registered unit leader to replace Mr. James Eubank. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise this office of the name of the new unit leader. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current leader.

Sincerely,

Howard Boyd, Director

Dear Howard:

I am enclosing 2 confidential reports on individuals that we have determined should not be registered in the Boy Scouts of America. I believe that both reports are self-explanatory and cover all of the necessary information that is needed to remove them from the lists.

There has been a time lag between the time of incident and the report to you, but they had been effectively removed from any Scouting activity at the time the information came to us.

If you need any further information, please let me know.

Sincerely,

DALE E. CHRONIC
